

## Opening Prayer

God, thanks for another week to be together. We bring you our whole lives and lay them before you today. As a community of faith, we offer you our gratitude, our love, our hurts, our fears, and our pain. We invite you to use all of it, even the messy parts, to encourage us and bless others. Amen.

## Icebreaker

**Q1:** What is a bucket list item for you? A vacation you want, an item you want to own, an experience you want to have, etc.

Today, we're going to talk about letting God into every area of our lives. In Colossians, Paul describes it as a putting off old clothes and putting on new ones.

**Q2:** What would you say best describes the state of your spiritual wardrobe? Here are some options to think about:

- » **I'M GOLDEN:** I'm wearing the right spiritual clothes in the right season.
- » **NEW:** I have lots of new spiritual stuff. The problem is a lot of it never gets worn.
- » **OLD:** Everything is tired and worn out and in need of a spiritual upgrade.
- » **50/50:** Some of my spiritual clothing is great. Some needs an upgrade but I'm having trouble parting with it.
- » **THRIFT STORE:** I feel like all my spiritual clothing was, at some point, someone else's.

## Talk it Over

### Read Colossians 3:5-7 (NLT)

*Leader Instructions: Invite others in the group to read the Bible verses during your weekly study using their participant's guide or Bible.*

**Q3:** In your spiritual journey, what are some ways of thinking, behavior patterns, or attitudes that you've intentionally left behind or even put to death as a follower of Jesus?

**Q4:** Reflect on the ways of thinking, behavior patterns, or attitudes that God is currently inviting you to let go. If you're comfortable, share what you're struggling to leave behind with your group.

James mentioned a famous book called "My Heart, Christ's Home" and compared our lives to an ice cube tray.

**Q5:** What are some of the small barriers in our lives that block God's influence from rippling freely in our stories? What have you discovered that can help us to remove those barriers?

## LEADER GUIDE

WEEK FOUR

### OPEN THE FLOODGATES LETTING GOD FLOW WHERE HE NEVER HAS BEFORE

#### Read Colossians 3:12-14 (NLT)

*Leader Instructions: Invite others in the group to read the Bible verses during your weekly study using their participant's guide or Bible.*

**Q6:** Review the list of things Paul is calling Christ-followers to clothe themselves in. Which one comes most naturally for you and why?

**Q7:** Which one is the most difficult for you and why?

**Q8:** Our verse says the most important thing is to “clothe yourselves with love.” What would this look like in your day-to-day life?

Has anyone memorized our theme verse (Colossians 1:6 NLT)? Will you share the verse with us now?

**Q9:** Without sharing any specific numbers or amounts, have you sensed God speaking to you regarding your Cannonball commitment? Are you excited, challenged, or fearful about what you think God is saying to you?

**Q10:** If you have not already shared it, what areas of your life can we pray for so that you can more effectively partner with God and be of greater influence for his kingdom this week?

#### Closing Prayer

*Leader Instructions: Feel free to lead this week's closing prayer using the prompt below or praying your own prayer for the group. You can also ask your group if someone would like to share a quick, simple closing prayer.*

God, help us hold nothing back from you. As best we know how, we give you full access to our heart, mind, body, soul, talents and resources. We invite you to do great things in and through us. Make us more like you and take off the things that are not from you. Thank you for the ways you're going to use us this week. We love you. Amen.
